Welcome to Old Denaby Parish Council's newsletter.

Autumn has arrived and it is time to update you on everything which has been happening in our lovely village. It has been a year of firsts with lots of exciting things both having taken place and also being planned for the future.

Our Old Denaby

The Village Telephone Box - thanks to the wonderful work of some of our village volunteers our phone box has been brought back to life, bright red once more and with windows cleaned it is looking smart once more.

The Village Defibrillator - we are delighted to say the parish council have now installed a defibrillator into the telephone box, the signage shall be updated shortly.

Parking - please ask visitors to be considerate when parking in the village, don't park on pavements to allow pushchairs and wheelchair access.

The Village Field - located behind Denaby Lane, volunteers have worked so hard throughout the year to bring the field back to life. We now have regular grass cutting, planters full of colour and fabulously restored benches to enjoy.

Keep Old Denaby Tidy - Please pick up after your dogs and dispose of it in the bins provided at the exit of the field.

Street Drainage - although we have had a very long dry spell, unfortunately drainage will no doubt become an issue again soon. Please report any areas of concern as soon as possible to DMBC www.doncaster.gov.uk

Noticeboard - the council have ordered a new noticeboard for the village. The new board will be located inside the redundant bus shelter.

Jubilee Event - Thank you to everyone who was involved in the Queens Jubilee celebrations held on the village field this year. What a wonderful time was had by all, it was wonderful to see our community come together. It is hoped that this is the first of many community events.

Community Association of Old Denaby - A group of volunteers have come together to officially form a community association for the village. Their next meeting will be on November 3rd at 7.30pm in the Manor. Everyone is welcome to come along, it would be wonderful to see lots of people joining in, if you would like to volunteer or have any ideas, please come along.

Don't forget to join "Community Group of Old Denaby" on Facebook
